

Become a Zoo Parent!!

This unique program allows you to contribute directly to the care of your favorite Zoo animal. Your donation provides veterinary care, food, shelter and furnishing to make their exhibits similar to their natural habitats. It's a great way to have an exotic pet and support the Binghamton Zoo! Adoptions also make "wild" gifts for birthdays, holiday or just because!

All Binghamton Zoo animals are available for adoption! You can choose:

Amur Tiger

Wallaby

Blackfooted Penguin

Spectacled Bear

Bald Eagle

Ruffed Lemur

Binturong (Bearcat)

Amur Leopard

Golden Lion Tamarin

Timber Wolf

River Otter

Boa Constrictor

Or any Binghamton Zoo animal of your choice!
