

# Binghamton Zoo at Ross Park 2008 Reciprocal Memberships

## What is Reciprocation?

The Binghamton Zoo has an agreement with the Zoos and Aquariums listed below to admit our members for free if we return the benefit for their members. Reciprocation allows members to support their local zoo and expand their zoological experience.

- Changes can occur between printings, so it is suggested that you call the institution before visiting to confirm their participation in reciprocation.
- Please make sure that you have a CURRENT membership card when visiting other zoos and aquariums.
- Reciprocation usually applies only to general admission. Special events, parking, rides and other admission charges are generally not included in reciprocation.
- If you experience any difficulties at another institution, please inform the Binghamton Zoo office, so we can correct any problems.
